

## 10PCE OPEN END SPANNER SET K3041 BY KINCROME

SKU	Option	Part #	Price
8700877		K3041	\$182

Model	
Type	Spanner Set - Open Ended
SKU	8700877
Part Number	K3041
Barcode	9312753920605
Brand	Kincrome
Size	10Pce
Technical - Main	
Imperial (SAE) / Metric / Torx	Imperial (SAE)
Material	Chrome Vanadium Steel (Cr-V)
Packaging + Shipping	
Shipping Length	35 cm
Shipping Width	11 cm
Shipping Height	8 cm
Shipping Weight (Gross)	2.15 kg

### 10Pce Open End Spanner Set K3041 by Kincrome

#### Description:-

The range of Kincrome Spanners has undergone exhaustive independent testing, is now 80% stronger than the ASME (American Society of Mechanical Engineers Standard) and 130% stronger than the German DIN standard. The stronger, lighter and greatly enhanced quality of the Kincrome spanner range leaves many name brand competitors in its wake. Improved features include a thinner head allowing the spanner to reach tighter areas, a rounder shaft for a more comfortable grip when applying greater torque, a lighter weight, and the shorter length decreases radial movement by up to 20%. Construction of the range is from forged Chrome Vanadium Steel (Cr-V) hardened, tempered and chrome plated with a slight satin finish for corrosion protection. Increased Molybdenum Manganese and Nickel content provide greater strength and corrosion resistance.

- Forged from Chrome Vanadium Steel (CR-V), hardened, tempered, chrome plated and polished with a light satin finish for corrosion protection
- Ring and jaw offset at 15 °
- Thinner head for hard to reach fasteners
- For heavy duty application
- Increased torque capacity
- Exceeds international ASME & DIN standards

#### Includes:-

**23 Exhibition Drive, Malaga Western Australia**

Monday - Friday 7am-5pm + Sat 8am-4pm

**Sales Centre** for Sales, Advice + Orders
