| 8701315 | | 2615009903 | \$28.8 |

| Model | |
|-----------------------------|------------------|
| SKU | 8701315 |
| Part Number | 2615009903 |
| Barcode | 080596099039 |
| Brand | Dremel |
| Technical - Main | |
| Material | Tungston Carbide |
| Dimensions | |
| Product Weight (Net Weight) | 0.1 kg |
| Packaging + Shipping | |
| Shipping Weight (Gross) | 1.48 kg |

Shapes, smooths or grinds especially hard materials including: hardened steel, stainless steel, cast iron, nonferrous metals, fired ceramics, plastics and hard woods. A high-speed cutter made of tungsten carbide, the hardest material next to diamonds.

Use higher speeds for hard woods, slower speeds for metals and very slow speeds for plastics.

Use the sides of the cutter (Rather than the tip) for effective cutting.

Use higher speeds for hard woods, slower speeds for metals and very slow speeds for plastics (to avoid melting at the point of contact). If chattering occurs, increase speed.

The Dremel 9903 3.2mm Tungsten Carbide Cutters are ideal for shaping, smoothing or removing material from especially hard materials.
