## 3.2MM TUNGSTEN CARBIDE CUTTER (9903) 2615009903 BY DREMEL

SKU	Option	Part #	Price
8701315		2615009903	\$28.8

Model	
SKU	8701315
Part Number	2615009903
Barcode	080596099039
Brand	Dremel
Technical - Main	
Material	Tungston Carbide
Dimensions	
Product Weight (Net Weight)	0.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Shapes, smooths or grinds especially hard materials including: hardened steel, stainless steel, cast iron, nonferrous metals, fired ceramics, plastics and hard woods. A high-speed cutter made of tungsten carbide, the hardest material next to diamonds.

Use higher speeds for hard woods, slower speeds for metals and very slow speeds for plastics.

Use the sides of the cutter (Rather than the tip) for effective cutting.

Use higher speeds for hard woods, slower speeds for metals and very slow speeds for plastics (to avoid melting at the point of contact). If chattering occurs, increase speed.

The Dremel 9903 3.2mm Tungsten Carbide Cutters are ideal for shaping, smoothing or removing material from especially hard materials.
