Part Number	26150220AA,
Barcode	080596022624
Brand	Dremel
Packaging + Shipping	
Shipping Weight (Gross)	2.5 kg

It's a drill press, tool holder and flex shaft holder all in one. Drill accurate perpendicular and angled holes. Holds your tool in place for applications like sanding and buffing, and the telescoping flex shaft holder extends to any height between 16 and 29 inches.

Can drill holes for projects such as circuit boards, woodworking, jewelry making

Three tools in one! (Small drill press, rotary tool holder and flex shaft holder)

Stationary tool holder brings the workpiece to the tool for tasks

### Features:

Articulating drill press - drills perpendicular and angled holes in 15-degree increments, up to 90 degrees horizontal

Tool holder - holds tool at 90 degrees horizontal for tasks such as polishing metal objects, sanding different shapes and grinding metal pieces

Flex shaft tool stand - allows telescopic adjustment to any height between 16 and 29 In.

Crow's nest provides on-board storage for drill bits, wrenches, and other Dremel accessories

Cord management clips - for safe storage of power cords

Inch and metric marking on base - for accurate drilling of workpiece

Depth markings with depth stop - for consistent depth adjustment

Sturdy metal base with 4 clamping points - to securely hold workpiece

### Includes:

Work Station Attachment

Mounting Wrench

(Rotary Tool pictured - is sold separately)
