HOT MELT GLUE GUN KIT DREMEL® GLUE GUN 930 (930-18 HOBBY) BY DREMEL

SKU	Option	Part #	Price
8701342		F0130930NA	\$47.99

Dual temperature glue gun - Bring your creativity to the next level with colourful and precise gluing

The Dremel 930 is a dual-temperature glue gun. Perfect for decorating both conventional and heat sensitive materials. The included transparent and coloured glue sticks provide you a fully creative crafting experience. From light gluing jobs to ornament sculpting, precise decorating of jars to mould making and embossing.

Features

Included colour sticks allow you to go far beyond from simple gluing and lets you get creative in decoration, ornament making, jewellery design and more

Apply glue on various materials disregarding the heat-sensibility thanks to dual temperature setting combined with high and low temperature glue sticks

Drip control prevents dripping glue onto the project supported with precision tip for intricate gluing

The T-handle allows optimal tool balance for easy and comfortable operation

Dual temperature

Removable cord

Drip control

Precision Tip

Specification

Glue Stick Diameter: 7 mm

Product Weight: 0.20Kg

Product Length: 14 cm

Product Width: 4 cm

Product Depth: 16 cm

Dual Temperature: 105 / 165 °C

Model	
Type	Hot Melt Glue Gun
