| Packaging + Shipping    |                  |
| Shipping Weight (Gross) | 1.48 kg          |

### Features:-

Malleable Iron head fitted with one Rawhide and one Copper cylindrical face.

The malleable Iron head and the Copper/Rawhide faces combine to provide the weight for the blow and the faces prevent damage to most items being struck.

Ideal where a heavy blow is required combined with a relatively small striking area.

Faces are designed to wear and can be replaced.

Used as a multi purpose soft faced hammer in engineering and automotive for assembly, repair and maintenance.
