Barcode	662949037174
Brand	Drill Doctor
Size	2.5mm - 13mm (3/32" - 1/2")
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The 180 grit diamond sharpening wheel is ideal for sharpening high-speed steel, cobalt, and TiN-coated twist and masonry bits. The 180 grit wheel can also be used to sharpen carbide bits, but we recommend the Coarse Diamond Sharpening Wheel if you sharpen carbide bits regularly. This grinding wheel replaces the standard grit wheel that comes with Drill Doctor

Recommended for use on 3/32"-1/2" Drill Bits
