Blade Rip/Cross-cut Blade 546 by Dremel

The 546 Rip/Crosscut blade is a long-lasting, mini circular blade that cuts both with and across the grain on wood and wood-like materials. The 546 blade is designed to be used only in conjunction with the Dremel 670 Mini Saw Attachment.

1 1/4" diameter steel blade mounts directly to the 670 Mini Saw Attachment so no mandrel is needed

The 546 blade has 48 cutting teeth

It's a long-lasting, mini circular blade that cuts both with and across the grain on wood and wood-like materials
