125mm Hook and Loop Backing Pad 197468-0 by Makita

The Makita 125mm Backing pad replaces the original pad that comes with our orbital sanders. It suits the following models, BO5021, BO5010, BO5041 and DBO180. It comes with a hook and loop setup to securely hold the paper during operation. The holes allow the easy extraction of sanded material to be taken care of when using extraction.
