Bench Grinder Mounting Set BGM-100 by Tormek

Tormek's Bench Grinder Mounting Kit provides the bar that the Tormek grinder uses, with the mounting needed to position it in front of a standard bench grinder so most of the Tormek jigs can be used, without the need to purchase a new Tormek grinder. The photos show the kit being used with other jigs. Jigs do not come with the Mounting Kit.

Features

Allows TORMEK jigs to be used with other bench grinders

Easy to use and set up

Good easy to follow instructions
