The Makita Portable Table Saw Stand is fully and easily adjustable. The stand has pressure-assisted cylinders on both sides for quick adjustments. The stand can be used with Makita and other brand table saws. The Stand is engineered for durability and is ideal for use on the jobsite or in a workshop. **Features:**

- Collapsible stand with shock absorbers
- 5 level quick height adjustment from 260mm to 630mm
- Telescopic material supports and rollers
- Heavy duty wheels ideal for site work
- Adjustable feet for uneven surfaces
- Made from high quality tubeless steel
- Thick steel frame to maintain its rigidity
- Pressure assisted cylinders on both sides
- Accepts all past and current Makita Portable Saws plus all of the major competitive saws
- The stand and saw can then be stored on its end using the flat base for limited storage environments
- Comes fully assembled except for the base plate which can be easily attached using the two nuts and bolts supplied
