Type	Vacuum Cleaner
SKU	8709971
Part Number	602057190
Barcode	4007430274427
Brand	Metabo
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Features:

For extraction from the power tool in continuous mode, both on construction sites and in the workshop
Especially suited for extracting concrete and rock dust
Compact vacuum cleaner for liquids and dry solids with commercial registration
AutoCleanPlus: saves both costs and time thanks to automatic MPulse filter cleaning during continuous use
If the optimum suction performance falls below a certain level, the filters are vibrated immediately
Automatic shut-down when vacuuming liquids once the maximum fill level is reached
Suction power control for adapted suction performance
Automatic trailing mechanism for emptying the suction hose completely
Antistatic basic equipment prevents static charge when using appropriate accessories
Sturdy thanks to especially large wheels and castors with wheel stop
Cable winding mechanism
Practical accessory case and storage area
Current Control: maximises the suction power while the machine is connected so that the main fuse is not triggered
Power socket for a power tool for using the automatic start-up/shut-down of the vacuum cleaner
Two polyester filter cassettes with large filter area for constantly high suction capacity
