Features:-

Fully open, push, grab!

Additional fast adjustment on the workpiece by sliding the pliers handle

Combines the proven, reliable locking of the hinge bolt with an additional push function which makes it easier to work in very confined and inaccessible areas

The adjustment directly on the workpiece is possible by simply sliding the pliers handle

Reliable locking of the hinge bolt with the first workload. The gripping width of the pliers is then fixed and can only be adjusted by pressing the button.

To re-activate the sliding function, the hinge bolt must be released by pressing the push button and the pliers must be completely opened again

Chrome vanadium electric steel, forged, multi stage oil-hardened

Specification:-

pliers grey atramentized, head polished, handles with non-slip plastic coating
