Material	Chrome Vanadium Steel (Cr-V)
Dimensions	
Product Length	155 mm
Product Width	49 mm
Product Height	280 mm
Product Weight (Net Weight)	1.03 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.033 kg

8Pce Imperial Combination Gear Spanner Set K3101 by Kincrome

The Kincrome Gear Spanner has all the benefits of standard spanners and more. The strong fine gear ratcheting ring end needs as little as 5 ° of sweep to move fastener, a standard fixed ring end needs a minimum of 30 °, or 6 times the area. Kincrome Gear Spanner ratcheting ring end has a Peripheral Drive™ configuration that virtually eliminates the rounding off of fasteners. The narrow and thin head, combined with fine gear tooth design makes the Kincrome Gear Spanner suitable for working in tight and hard to access areas where a ratchet and socket will not fit. Combined with the 'Fine Tooth' technology Kincrome Gear Spanners are the 'state of the art' in spanners, and come with a handy plastic storage case.

Features:-

- The ratcheting ring feature allows increased working speed, eliminating the need to remove the spanner from the fastener after each turn
 - With a 0 ° offset, the Gear ring head has directional arrows on both sides indicating either forward or reverse direction
 - To change direction simply turn the spanner over
- Sizes: 5/16, 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4"
