Technical - Main	
Motor Speed - No Load	0-250 RPM
Features	
Standard Inclusions	(1) M12 Cordless 3/8" Ratchet (Tool only) [M12IR-0]
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M12 Cordless 3/8" Ratchet is the ideal tool for auto mechanics, maintenance and repair professionals looking for maximum performance and productivity in a subcompact cordless tool. It utilises a powerful 12-volt motor to produce up to 47Nm of torque and 250 RPM, giving users the power and speed of a pneumatic ratchet without the air hose. It's powered by the M12 REDLITHIUM-ION Battery Pack (sold separately), which delivers more work per charge and more work over pack life, as well as best-in-class performance in extreme jobsite conditions. At just 273mm long and 1.7kg, the ratchet is tool-belt portable, and features a 19mm low-profile head design for work in the tightest of spaces and engine bays. The variable-speed metal trigger and reinforced steel housing provide maximum control and durability with any application. **Features:**

Powerful 12-volt motor: Delivers up to 47Nm of torque.

Superior fastening speed: Produces 250 RPM, with variable-speed trigger for greater control.

REDLITHIUM-ION Battery Technology: Superior pack construction, electronics, and performance deliver more work per charge and more work over pack life.

REDLINK Intelligence: Provides optimised performance and overload protection using total system communication between tool, battery and charger.

On-board fuel gauge: Helps you monitor the charge precisely for less downtime on the job.

Built-in LED light: Illuminates work surfaces in dark locations.
