Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	13

The 13-piece Universal Set is a collection for versatile applications. Each Starlock accessory is individually selected for its particular value and performance for various applications. The 13-piece set includes blades for sawing, plunge cutting, sanding and scraping various materials. This includes a segment saw blade for flush cutting door frames to floor length, cutting smaller mouldings, laminate or parquet and a plunge-cutting saw blade for plunge cutting recesses into wood. Also in the set are abrasive sheets for sanding wood and painted materials and a scraper for removing soft material. All Starlock, Starlock Plus and Starlock Max power tools as well as common multi-tools are compatible with the accessories. The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.

Includes:

- 1 x BIM segment saw blade Wood and Metal ACZ 85 EB
- 1 x BIM plunge-cutting saw blade Wood and Metal AIZ 32 APB
- 1 x HCS scraper ATZ 52 SFC
- 10 x Wood and Paint sanding sheet
