Product Height	50 mm
Product Weight (Net Weight)	2 kg
Packaging + Shipping	
Shipping Weight (Gross)	2.0 kg

The range of Kincrome Ratchet Flex Handles have been developed and manufactured to provide a hybrid between a ratchet and a standard flex handle. These ratchet flex handles feature a specifically designed 24 teeth ratchet head mechanism that offers superior force abilities compared to a standard ratchet, allowing the user to "crack" a fastener and then operate the tool in a ratcheting fashion.

### Specification:

Length: 675mm (27")

Teeth: 24

Finish: Mirror Polish

Material: Chrome Vanadium (Cr-V)
