Packaging + Shipping	
Shipping Weight (Gross)	2.35 kg

The M12 Caulk and Adhesive Gun is the lightest, most compact cordless powered caulk gun on the market today. With up to 1800 Newtons (400 lbs) of pushing force the M12 Caulk Gun easily dispenses everyday construction sealants and adhesives. The combination Variable Speed Trigger and Max-Speed dial allow for total application speed control. The 360 degree Rotating Collar delivers maximum control around turns. The tool also features auto-reversing anti-drip, a seal puncture tool and durable hang hook for versatility on the job. This configuration is designed to work with 310ml cartridge style material containers. MILWAUKEE also offers accessory conversion kits to change to 600ml (20oz) sausage packs (48080905). **Features:**

Constant flow technology - Consistent beads resulting in cleaner, faster installations

Top speed dial & variable speed trigger - Complete dispensing rate control

Anti-Drip "Automatically reverses plunger relieving pressure from the tube"

Dial control with 6 speed settings allows for maximum bead control

Includes:

(1) M12™ 310ml Caulking Gun (Tool only) [M12PCG-0]

(Not included) Battery and charger
