100mm 4" Stainless Steel Multi-Use Ruler & Gauge

RNG/4 by Groz A popular pocket-sized, 5 - in - 1 tool useful for a variety of applications. Can be used as:

A Drill Point Gauge for checking 59 ° angle drill points

A Protractor for measuring and laying out angles

A Center Finder for locating centers on shafts and circles

A Circle Divider for dividing circles into sectors, polygons and polygrams (up to nine equal parts)

Tap and Drill Table shows popular tap sizes and corresponding drills sizes for American National threads

Manufactured from stainless steel, this multi use tool comes complete with a 4" (100 mm) rule with permanently etched graduations in 64ths and millimeters
