Uniquely designed for steelfixers, this is a belt that's built for the job. A robust, full leather upper belt gives you maximum durability, with a protective leather flap that fits neatly beneath your wire reel to keep your clothes clean. Our Steelfixers Belt is versatile and made to last—we only use the highest-grade hardware for all your loops, buckles, and keepers. With heavy-duty German and Italian rivets, your belt is crafted for a long, long life. Because it's what's on the inside that matters, we've used soft, premium felt and thick, reinforced rubber to make this belt ideal for long work days. Fully adjustable and designed for all weathers, it's a steelfixer's best friend.

Features

- Protective leather flap
- Full leather upper belt
- Fully adjustable upper belt for holding tools holders and nail bags
- Under belt made from a combination of Premium felt and thick reinforced rubber
- High quality hard ware including buckles, keepers and loops have been used
- German & Italian heavy duty rivets
