Shipping Weight (Gross)	1.48 kg

Our Tradesman's belt does the carrying for you. Nail bags, tool holders, and more are all simple as to attach, access, and keep safe while you're hard at work.

A premium full-grain leather upper belt lets you hang, hold, and adjust while working on high-level platforms. We've used thick reinforced rubber for an underbelt that yields the maximum strength possible, and soft, premium felt to keep you comfortable while getting the job done.

Keep calm and carry on—our keepers, loops, and buckles are all made from high-quality, resilient hardware that lasts and lasts. We've also used German and Italian heavy-duty rivets to cut the hassle of replacing your belt constantly.

Features

Genuine leather upper belt

Fully adjustable upper belt for holding tool frogs and nail bags

Under belt made from a combination of 100% natural premium wool felt and reinforced rubber

High quality hardware including buckles, keepers and loops have been used

German & Italian heavy-duty rivets
