Dimensions	
Product Length	260 mm
Product Width	100 mm
Product Height	20 mm
Product Weight (Net Weight)	0.2 g
Packaging + Shipping	
Shipping Weight (Gross)	0.248 kg

Constructed from premium, thick, tumbled leather, our chisel holder securely holds two chisels in place so you don't have to. It's internally reinforced to stop your chisels from cutting through the heavy-duty stitching and seams. Wet molded to retain its shape over time, you're free to hang, hold, and access quickly and easily. We've used strong, heavy-duty German rivets to keep everything firmly where it's meant to be.

Features

- Constructed from Premium thick leather
- Holds up to two chisels
- Wet molded to retain shape
- Internally reinforced to stop chisel splitting through the seams
- Heavy duty stitching
- Heavy duty German rivets
