Our premium leather 2-shifter holder is versatile as they come. Mix your tools as you see fit, this holder can be used to secure one shifter and a ratchet or podger for a range of applications.

We've used heavy duty German rivets to construct this durable, reliable holder, then used wet molding so it keeps its shape over time.

Features

Constructed from premium leather

Holds two shifters or one shifter and a podger / ratchet

wet molded to retain shape

Heavy duty German rivets
