Built to hold 12" or 15" long shifters, we've wet molded the BUILDPRO Shifter Holder to keep its shape for ages. And ages.

We've used high-grade, heavy-duty German rivets and Japanese press studs to firmly secure your premium, thick leather holder. For extra security, the Shifter Holder is also available with a safety strap that keeps everything neatly in place.

Features

Constructed from Premium thick leather

Suits 12" or 15" long shifter

Wet molded to retain shape

The model with safety strap holds tool securely in place
