OHS matters. Get it right first time round with the BUILDPRO Adjustable Padded Shoulder Brace, professionally designed for your peace of mind.

Made from premium Aussie-made woven webbing in hi-viz orange & black colour, we've used the best materials we could find and added advanced features to take it to the next level. You'll find handy, multifunctional slots for rulers, pens, and smaller tools, and a back loop for easy hanging of your toolbelt at the end of a hard day's work.

With soft, premium felt shoulder padding, it's the most comfortable brace for all-day wear. Cleverly designed to spread your weight out across your whole body, you can say goodbye to lower back pain.

Quick and simple to attach to your BUILDPRO toolbelt, this shoulder brace is fully adjustable and made with hard-wearing, high-quality hardware for incredible resilience. When you're done, just unclip the front strap and slide off the brace. Simple as that.

Features

- 4 pockets included for pens, pencils, rulers & other items
- Hanging loop on the back for easy storage after use
- Used to transfer weight from wearers back and distribute it to the shoulders
- Marine grade reflective patches for high visibility
- Made from 100% Australian made webbing
- Padded shoulders for extra comfort
- Fully adjustable to suit the wearer
