INTERFACE PAD 215MM X 3MM 2 PACK - 496140 BY FESTOOL

SKU	Option	Part #	Price
8715187		496140	\$82.5

Model	
Type	Interface Pad
SKU	8715187
Part Number	496140
Barcode	4014549113363
Brand	Festool
Technical - Main	
Colour Name	Black
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

This Interface Pad functions as damping element between abrasive and sanding pad. All Festool pads are designed with dust extraction as a primary consideration, so you'll work cleaner, produce a better finish and significantly extend the life of your abrasives and pads. Festool pads feature the StickFix hook and loop design for quick and efficient abrasive changes, and enable re use of partially used abrasives. A highly resilient, heat resistant MPE foam is utilized in all our pads for consistent finishing results, uniform wearing, and extended pad life. Because sanding pads will eventually fatigue and require replacement, it is advisable to keep a fresh pad at hand to avoid a break in work.
