The MILWAUKEE M18 LED Work Light (M18TLED-0) lasts 600X longer than conventional incandescent bulbs. Powered by the M18 REDLITHIUM™ battery (not included), it runs up to 4X longer on a single charge. Its 135° rotating head allows you to easily direct the light beam at the desired work area, while its integrated hook enables hands-free use. With a sealed aluminum head to provide impact and weather resistance, the cordless work light comes with a limited lifetime LED warranty.

Features

Sealed aluminium head: designed for impact and weather resistant durability.

135° Rotating head provides flexible, focused illumination.

Integrated hook: leaves both hands free for work anywhere on the job site.

Compact design for versatile use.
