Series Description

CONTOUR ® The Leading Edge In Tool Kits & Storage

The CONTOUR ® range of Tool Kits, Chests and Trolleys is our premium level range, developed for those looking for trade quality tools and features. CONTOUR ® comes loaded with premium features for apprentices and professionals, combined with modern styling, offering you the very best that KINCROME has to offer. Designed in Australia by KINCROME, the CONTOUR ® range features a sleek contoured design, available in a variety of gloss colours with a UV protected powder coated finish. CONTOUR ® storage comes standard with a range of premium features, including; the chamfered Kincrome embossed side panels, 'Automatic Drawer Retention System (ADRS)' locking system, heavy duty 'Big Grip' side carry handles and a contoured trolley handle, side folding work trays, MDF worktop and four swivel heavy duty polyurethane castors for easy manoeuvrability. CONTOUR ® offers a complete range of carts, chests, trolleys and kits to suit every need, from; 26" standard, 28" & 29" extra deep, 42" extra wide and 60" super wide. CONTOUR ® is fully modular and customisable, offering the flexibility to build your own premium workshop, the way you want.
