SKU	8716323
Part Number	82805D
Brand	Gearwrench
Technical - Main	
Drive Type	3/8" Drive
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

GEARWRENCH has taken the ratcheting wrench design and applied it to the tap and die application. The ratcheting handles and adapters allow for easy back and forth movement required while cutting threads on either taps or dies. The 5° ratcheting arc with reversing lever eliminates hand over hand turning. The hex die adapters work on either round or hex shaped dies.

Features:

Improve access of GEARWRENCH tap and die system by combining both adapters and any standard 3/8" drive extension

Use 82803D to convert GEARWRENCH Pass-Thru™ ratchets to be used with standard 3/8" drive tools and sockets

82803D features top mounted quick release button for ease of use

82804 fits both the 3882 and 3883 tap adapters

Bright, full polish chrome finish easily wipes clean and resists corrosion
