

## 254MM (10") TABLE SAW DWE7491-XE BY DEWALT

### Features

26.6 kg unit weight and optimised footprint make this the most portable saw in its class  
 Steel roll cage protects saw against jobsite drops and impacts  
 Rack and pinion fence system, front and rear fence lock and large, clear scales combine to give an extremely accurate and easy to use saw  
 Powerful 2000 Watt motor for high performance in all applications (1700 Watt 110V version UK only)  
 Fence system provides 825 mm of rip capacity in a portable design for cutting large sheet materials to size  
 Cast table top design ensures accuracy and precision  
 Quick bevel lock with large scale for easy, accurate adjustments.
