Size	4m
Technical - Main	
Material	Rubber (Heavy Duty)
Features	
Standard Inclusions	3 x 4m Cable
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	3

Replaces Item No. : 500399

It takes only a few seconds to change a Festool tool, because almost all tools are equipped with the plug-it system and all you need to do is disconnect and reconnect. This saves valuable time and prevents you from spending time searching for the right power cable. It also eliminates dangerous obstacles because the same cable is used for each tool. You have the choice between a rubber and PUR casing and a cable length of 4 or 7.5 m. rubber insulated cable.
