Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Patented dual chamber system for clean drilling and a secure hold. Foam rubber pad for a secure hold on uneven surfaces. Flexible joint piece for moving hose to perfect position. Drilling in floors, walls and ceilings up to a maximum 12 mm diameter, no dust or residues. Drill sleeve made from nickel-plated steel. Compatible with all standard industrial and domestic vacuum cleaners. If you wish to use this nozzle with dust extractors that feature an automatic filter cleaning system, this function must be turned off.
