The DWE7492 combines powerful cutting performance with portability, and an 610mm ripping capacity - making it easy to cross cut and rip large materials around the jobsite. Large heavy-duty wheels are designed to easily roll over steps and jobsite debris, while quick-release folding legs allow for easy storage and transport.

### Features

Large Heavy-Duty wheels designed to easily roll over steps, kerbs, and jobsite debris

Folding legs with quick release levers which retract under the stand in a few seconds for easy and quick transport

Lightweight construction which improves the portability

Heavy-Duty kick stand allows the stand to balance upright for mobility and storage

Allowing the user to pull the saw behind him comfortably

Stand design allows portability when the table saw is attached to the stand which increases productivity

Durable steel construction
