The new LX11GP Premium in green beam is the class leader for floor tilers. With 2 beams at 90 ° for true set-out, adjustable legs to keep the tool above the tiles and a target plate. The LX11GP is the laser to increase a tilers efficiency. The green beam gives greater visibility over a larger distance, for even more efficiency and productivity, especially over larger commercial projects. **Features:-**

2 beams @ 90 °

Target Plate

Features adjustable legs, target plate, a metal base and includes a canvas bag.
