Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	10

- 72 tooth ratcheting box end needs a minimal 5 ° to move fasteners vs. 30 ° for standard wrenches
- Off-corner loading design on box end provides better grip and reduces fastener rounding
- Pass-thru ® technology works down any length of threaded rod and long bolts
- Thin head and beam provide greater access in confined work areas
- Size conveniently stamped on both ends of the beam for quick identification
- Manufactured from alloy steel for better strength and longer tool life
- Bright, full polish chrome finish wipes easily clean to resist rust and corrosion
- Stubby beam length for when clearance is limited
- Meets or exceeds ASME and ANSI specifications
- Plastic tray included for tool retention and storage
