Shipping Weight (Gross)	1.88 kg

### Features:-

- 18V XR Li-Ion BRUSHLESS Drywall Screwdriver for efficient fitting of drywall
- Powerful 4400rpm BRUSHLESS motor drives screws efficiently and effectively offering maximum runtime and a compact tool
- One of the lightest and most compact tools on the market - it ensures that you can work comfortably and get into small spaces
- Quick release collated screw magazine accepts most collated screws to allow the user to fit boards more quickly
- Easy collated screw magazine opening to allow for quick cleaning of drywall dust
- Tool free depth control and fine depth control for simple but effective setting
- Collated screw magazine rotates on tool without removal to allow the operate in corners with the minimum of fuss
- LED worklight offers valuable light when working in small spaces or areas with limited light
- 5.0Ah High Capacity battery pack coupled with the BRUSHLESS motor offers eXtreme Runtime and compatability with the rest of your 18V XR tools
- Trigger lock on lets you work without having to pull the trigger
- Ergonomically designed rubber grip gives you excellent user comfort whilst using the tool in either the "in-line" or "pistol-grip" hand position
- Also supplied with locking nose cone so that you can work with the same tool on sites where collated drywall screws are not supplied
- "Set and forget" feature remembers your fine depth adjustment setting when removing and replacing the nose cone
- Robust and durable design means that the tool is jobsite tough
- Angled belt hook can be positioned for left or right handed users and fixes tool strongly onto tool belt / pouch
