## COMPRESSOR OIL AIRCOM 68 BY LSA

SKU	Option	Part #	Price
8718539-1000	Size: 1000L	1700-13-0020	\$0
8718539-205	Size: 205L	1700-13-0020	\$1600
8718539-20	Size: 20L (Drum)	1700-13-0020	\$180

Compressor Oils containing additives that provide excellent anti-wear performance, corrosion resistance and demulsibility whilst minimising carbon deposit formation for increased safety against fire.

They reduce wear and oxidation and allow for higher load, more severe operation conditions and longer oil service intervals.

Recommended for oil lubricated air compressors including Rotary Screw, Reciprocating and certain types of Rotary Vane Compressors.

Large Reciprocating Piston type compressors operating at elevated temperatures and with a tendency for increased deposits should, for safety reasons, be filled with fully synthetic, AIRSYN Compressor Oils.

### Available Sizes:-

20 Litre

205 Litre

1000 Litre

Model	
Type	Compressor Oil
SKU	8718539-20
Part Number	1700-13-0020
Brand	LSA
