Barcode	4014549357743
Brand	Festool
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The CXS Compact cordless drill is the smallest drill in the Festool range. It's handy shape makes it ideal for working in cramped spaces. Featuring the FastFix chuck system, the CXS can be used with the Centrotec chuck, keyless chuck, or a right angle attachment that allows you to access even the tightest spaces. As you would expect, the CXS features exceptional ergonomics, with a battery design that removes the bulk from the handle, ensuring maximum comfort over extended use. Weighing in less than 1kg with the Centrotec chuck attached, the CXS will not leave you feeling fatigued even after all day use. The CXS offers exceptional battery life and an ultra low recharge time, fully recharging in just 30 minutes.

Main Applications:

- Kitchen fitting & furniture assembly
- Attaching fittings and installing locks
- Electrical installations
- Frequent overhead work
- Fitting curtain rails and skirting boards
- Vehicle interior fit out work

Strengths And Benefits:

- With the fast fix chuck system, it is possible to change to an angle drill in seconds
- Comfortable to work with due to the ideal ergonomic and low weight
- Power that lasts with lithium-ion battery packs
- Optimum lighting: with the built in LED light you can keep working even in dark corners
- Always on hand: bit storage puts four bits at your finger tips
- Uses Festool unique Centrotec chuck system.

Technical Data:

- Battery voltage : 10.8V
- No-load speed 1st/2nd gear : 0-430/0-1300rpm
