50MM X 9M X 2500KG MULTI PURPOSE RATCHET TIE DOWN ASSEMBLY RTD055PL BY BEAVER

SKU	Option	Part #	Price
8719261		204250	\$24.9

Model	
Type	Ratchet Tie Down
SKU	8719261
Part Number	204250
Barcode	9345339000019
Brand	Beaver
Size	50mm (2")
Technical - Main	
Material	Polyester
Working Load Capacity	2500 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Shipping Notes	This product is classified as 'Heavy / Oversized' and generally does not qualify for FREE SHIPPING.

Ratchet assemblies comply to Australian Cargo Restraint System Standards AS/NZS 4380.

RTD Straps are 100% polyester which is heat set, stretched and polyurethane (PU) impregnated, resulting in low strain, long life, wear resistance, and durability demanded in flatbed tie-down requirements

Beaver ratchet assemblies have a double claw and locking action safety system that prevents it accidentally slipping off the load

All Beaver ratchet assemblies are provided with two protective sleeves

Safety and ID labels are sewn into the webbing for traceability with lashing capacity and date of manufacture shown to aid the driver in adhering to his or her OH&S responsibilities.

Ratchet with hook and keeper must be fitted correctly, refer to the markings showing the lashing capacity.

NOTE:- Australian Standards state that lashings must be replaced if they are weakened by 10% or more of their original strength. Therefore all restraint equipment must be inspected regularly and if the components are cracked, broken or worn they must not be used for restraining loads.
