## DUST EXTRACTION SURFACE GRINDING SHROUD SUIT 115MM -125MM GRINDERS 195250-1 BY MAKITA

SKU	Option	Part #	Price
8719720		191W06-8	\$79

Model	
Type	Dust Shroud
SKU	8719720
Part Number	191W06-8
Barcode	088381589185
Brand	Makita
Size	125mm (5")
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

### Features:-

The Dust Shroud is engineered for improved dust containment while operating Makita 115mm and 125mm grinders

A key point of difference from competitor shrouds is the 3-spring suspension system that keeps the shroud flush with the surface during movement and compensates for cup-wheel wear

The soft brushes are engineered to prevent dust from escaping, and help move the tool more easily over the surface

An added convenience feature is the removable edge piece, which allows for surface work flush to other objects

The guard has a direct-connection dust port (outer diameter: 38mm) for use with most commercial vacuum hoses
