Combination of classic Systainer and a handy bottom drawer. The drawer can be divided flexibly for accessories, consumables, small parts and sundries. Individual containers to create partitions are available separately.

Faster, easier, better.

Searching for tools, drill bits, screws becomes a thing of the past. Custom inserts are designed to hold Festool tools, accessories, and consumables to help you quickly find the items you need to complete a task.

Flexible system

Latch your Systainer to a dust extractor, rolling base or trolley for easy transport, moving tools, accessories and extractor in one trip from the car to site.

Customise your systainer

Design your own personalised label for your Systainer T-LOC.

First impressions count

Professionals are well organised and neatly presented. Festool's storage solutions provide a robust system for organising, protecting and transporting power tools, accessories, and consumables.
