DeWalt 16 Gauge Angled Finish Nails are designed to suit the DCN660N-XE DeWalt 18V Finish Nail Gun. They are 50mm in length with a 20 degree nail angle & galvanised finish. This 44mm steel angled nail pack from DeWalt is constructed for use with a 16 gauge nailer, helping reduce jams and fitment issues. High-quality raw steel undergoes rigorous inspection before being galvanised to minimise corrosion and staining.
