Shipping Weight (Gross)	1.5 kg

FEATURES

Heavy-duty blades feature premium grade stainless steel and are precision engineered for knife-like cutting edges

Serrated bottom blade grips material as it is being cut for increased cutting control and cleaner cuts

Titanium coated blades provide corrosion resistance and are 3X harder than steel for durability and tool life

Control channel accommodates index finger for increased control and cutting stability

Full metal core extends through the handle for maximum strength and increased durability

Touch point ergonomics optimize hand and finger contact points in handles to maximize fit, control, and user ergonomics
