Look after your working crews in the unrelenting Australian heat with these insulated variants of our standard Crib Bags. Lined with food-grade PEVA, #10 main zipper, and constructed from high quality canvas, these bags are built to deal with daily commercial use. Produced in Green Canvas with a Black PVC Base and reflective piping for better visibility. They can be also easily identified with the help of the included ID tag pocket. Side Pockets work perfectly for both your water bottle and thermos mug, small pockets on each end come in handy for cutlery or pens. Includes a front pocket for easy embroidery or essential items and side clips for attaching additional lock-out tags. They easily expand in height to deal with larger items or extended days out in the field. Carry it all with a fully adjustable 50mm shoulder strap.
