Shipping Weight (Gross)	1.48 kg

The M18 FUEL 254mm (10") Dual Bevel Sliding Compound Mitre Saw (M18FMS254-0) was designed to meet the demanding needs of professionals. Delivering greater capacity than many corded 254mm (10") Sliding Mitre Saws and the POWERSTATE Brushless motor delivering corded cutting performance. The M18FMS254-0 provides users a solution to replace their corded mitre saws. The M18 9.0 REDLITHIUM-ION HIGH DEMAND battery pack delivers up to 400 cuts per charge making the saw capable of lasting an entire day on site with only one pack. Premium features like an adjustable stainless steel detent plate, cam locking mitre system, easy access bevel adjustment lever and both a detent override lock and chop lock lever located on the front of the tool. The M18 FUEL mitre saw is designed for easy operation and repeatable, accurate cuts. **Features:** MILWAUKEE® POWERSTATE Brushless Motor provides more power, more run-time, and longer life. REDLINK PLUS Electronic Intelligence enables advanced communication between your batteries and tools, allowing for unmatched levels of performance, protection, and productivity. The MILWAUKEE® REDLITHIUM-ION Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life. Cam locking mitre system with adjustable stainless steel mitre detent plate and 11 detent locations
