17 x 21mm Podger Spanner K3941 by Kincrome Used in the construction industry, the Kincrome Ratchet Podger Spanners have two sizes in the ring end for convenience and the podger end is used for aligning bolt holes. There are 27 sizes in the range from 10mm to 55mm to cover all needs and applications. **Features:-**

Manufactured from Chrome Vanadium Steel (Cr-V), hardened and tempered with a Black Phosphate finish

Each spanner head offers two different sizes, making it versatile on the job site

The Tapered shaft allows the user to locate and align bolt holes

Ideal for the construction and mining industries
