Carpentry & Woodworking Project Plan:

Build your own table and 4 x sturdy chairs which can take most adults weight. Table dimensions 53cm/21" high, 60cm/2ft square.

Printed Pattern with step by step easy to follow instructions. This Childrens table and chairs will easily take the weight of most adults, so you can sit and play with the children if you want. We have placed many of these into childcare centres and preschools.
