Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

### 50mm Miniature Hobby Vice with Swivel Base & Integrated Clamp TBV/RC/50 by Groz

Groz manufactures a complete range of compact vices for a wide variety of metal and woodworking applications. While ideal for use by model makers and DIY enthusiasts, these can also be used by the serious craftsman for light duty jobs.

Manufactured from high quality grey iron castings, these are machined to close tolerances resulting in smooth operation and reliability. Vices have an attractive enamelled finish with main screw and handle in chrome plated finish.

These are available in 3 types:- **Hobbyist Vices with fixed and swivel bases** For applications that involve working in confined spaces, the swivel base vice is the ideal answer

**Hobbyist Vices with an integrated clamp** The integrated clamp renders portability to the vice allowing it to be clamped conveniently onto any working surface

**Hobbyist Vice with swivel base and integrated clamp** Portable and compact, the built in clamp allows the vice to be clamped onto any surface 1.1/2" (38 mm) deep easily. The swiveling base further enhances the versatility of the vice
