The Trade Time Phone Pouch is made from full grain leather because it is durable and long lasting. It features a tunnel design so it can easily be worn with any belt style. Therefore you can wear this on the worksite or in the office. The Phone Pouch is made from 2mm leather and has a top-flap, which secures with a press-stud closure. It is riveted for extra strength. As a result, it will keep your device safe and secure on the worksite. Suitable for many different phone models. Available in 5 sizes (see below for dimensions). An optional extra is the Military Holster clip that is attached to the back of the pouch. This allows you to clip the pouch on and off your belt even quicker. In short, this reliable leather phone pouch protects your smart phone in the most rigorous working conditions. **Features:-**

- Made from a 2mm full grain leather because it is strong and durable
- Vertical flip orientation secures with a press stud closure so your device stays put
- Designed with the tradesperson user in mind, for example builder, electrician, plasterer, etc.
- Tunnel design allows this phone pouch to be worn on most belts, for instance webbing, work or leather belts
- Optional extra Military Holster clip attached to the back of the pouch means you can clip on and off your belt
- Thin yet tough material, offers premium protection for your mobile phone
- The interior of the leather pouch is soft, as a result it will not scratch your device
- Wallet-style design provides complete protection for your phone because your device is entirely covered
- The press stud closure flap folds over to ensure your phone doesn't fall out
