Turbo Concrete Bog 1L is a high-performance filler designed for repairing and restoring damaged or chipped concrete surfaces.

Turbo Concrete Bog is a premium product for the fast repair of holes and cracks

It repairs concrete, masonry and bricks with no slump for vertical repairs and paintable within the hour

Creates a strong and resilient surface that can withstand heavy traffic and harsh weather conditions

With its smooth and creamy consistency, Turbo Concrete Bog 1L is easy to apply and can be shaped and sanded to achieve a perfect finish

Suitable for use on a wide range of concrete surfaces, including floors, walls, steps, and driveways
